Cornell Note Taking								
4			3		2			
100	94	85	76	65	55	44		
>= 80 on open-notes content test			56-79 on open-notes content test		35-55 on open-notes content test			
<ul style="list-style-type: none"> Use of space shows hierarchical organization of ideas Main ideas are distinct from supporting details Notes are sufficiently elaborated Good questions at various levels cover all material for study. Each page has an abstract in standard English covering page content Notes may have been revised and updated 		<ul style="list-style-type: none"> Use of space shows organization of ideas, but may be inconsistent Overly detailed notes diminishes value as study aide Questions are of inconsistent quality and do not cover all material. Adequate abstract of content on each page. 	<ul style="list-style-type: none"> Use of space does not support hierarchical organization of ideas, but some basic effort to organize is evident. Notes appear as lists or blocks of text. Few elements copied verbatim from source. Notes not elaborated enough. Questions cover most material, but are mostly lower level or poorly constructed. Abstracts are overly brief. 		<ul style="list-style-type: none"> Notes are just undifferentiated lists or blocks of text without organizing principle. Extensive copying verbatim from source. Serious omissions or gaps. Severely limited questions. Missing abstracts. <p><i>A complete outline of source without questions or abstracts yields score of 44.</i></p>
